## N.E.A.A. NEEDS YOU !!

Don't worry it doesn't mean a 6 month tour in Northern Ireland or Sierra Leone !! What does it mean then I hear you all saying ?? Well the letters stand for North of England Athletic Association ( formerly the AAA's I think ) & they are going all technical by adopting a computerised registration system along with statistical analysis to (and I quote ) " deliver important data on participation in the sport that will be used constructively to assist future management and development generally ". We have looked into this for a while now & there appears to be no way around what they are doing ! We have always been affiliated to AAA's as a club along with the FRA for our own chosen branch of the sport. This has enabled club members to take part in Cross Country, Road, Fell & Hill, Track & Field & even Race Walking at various different times and has cost a fixed fee each year. The new system will still cost the fixed fee but will also cost each club member £1 per year. Each athlete can then compete as an individual in any of the above disciplines, provided that the club has registered to compete in those disciplines. Each member has to supply various personal details so that they can be forwarded, along with the fee, and a membership card + number issued. Reading between the lines in the near future if you aren't a member you may not be able to compete in some events or will face a levy. ( which could be expensive if you race a lot ). Advice from the FRA is that they recommend that all our members join the registration scheme & we are proposing to follow this as they are our governing body.

AS SUCH PLEASE SEE THE ATTACHED FORM, FILL IT OUT QUICKLY & HAND BACK TO ONE OF THE COMMITTEE OR POST IT, AS THE FEES WERE DUE ON 1ST OF MAY 2000.

N.B. My apologies for the quality of the form, I had to blow it up from normal Access database size.

The only field that you don't fill in is 'Volunteer Role ' unless you are a member of the committee.

If you are posting please send to Mike Bell, 25, Haugh Shaw Rd, Halifax, HX1 3AH

***PLEASE MAKE SURE THAT YOU HAVE PAID YOUR SUBS AS THE ABOVE FORM WILL BE CHECKED AGAINST THE CVFR MEMBERSHIP LIST & HANDICAP POINTS, ETC, ETC. WILL NOT COUNT.IT IS ONLY £6.00 !!!***

**MIDGLEY MOOR FELL RACE**  
West Yorkshire  
AS/5m/1250ft 25.03.00

After winning in a sprint finish Steve Oldfield gasped "this is a bottom-spankingly good race!" Organiser Soddy Ruttercliffe claimed "It will be a classic". The race, over Midgley Moor between the Calder and Luddenden Valleys, was held for the first time this year in perfect clear spring weather.

After climbing up through fields to the moor runners had choices between checkpoints of longer path runs or direct heather-bashing shortcuts. This spread the runners across the moor on some sections and was particularly interesting on the leg to the final checkpoint after the steep climb out of Luddenden Valley. The race can be won or lost on this section. There was lively post-race discussion about the merits of different routes. Steve's record is up for grabs to whoever works out the optimal route.

The race was just part of another day's triathlon training for Carol Greenwood, who swam two miles, cycled to the race, pipped Lisa Lacon to the finish funnel, then got on her bike again. Vets honours went to Richard Griffiths and Ros Dunnington, with Barry Rawlinson first over 50 and Peter Duffy first over 60. Over half the field (56%) were vets. Todmorden took the team prize with Jon Wright, Richard Glover and Simon Anderton, whilst Sharon Taylor and Jane Smith joined Carol to make Bingley the first ladies team.

The race will be on again next year, perhaps with a bit of Midgley mist to add to the interest.

Report

Another excellent day for the second of the club championship races. 9 hardy C V F R's braved the dry arid conditons of the Bowland hills and sampled this gem of a race. Shorts and running vest where definitely the kit for the day although some (Pete) still insisted on all weather gear.

The field was not big with 121 runners. Notable performances from Andy in 11th and Thirza (the only lady from the club) who scooped a shed full of prizes as first lady vet. Well done!
