

A.G.M. Special

Yes I know you've only just received the "Summer Special" ???? but not to worry here is a quick notice to tell you the date for the A.G.M.

TUESDAY 14TH NOVEMBER, 8pm, SHOULDER OF MUTTON.

A short run will precede the meeting and we are aiming to start fairly promptly!

Co-opted;- BRIAN HORSLEY, STEVE CAVELL & LINDA COOPER.

Charlotte & Stewart should have a permanent new address up in Durham by the end of October. If you need to get anything to them before then contact me for their present abode.

See over the page for Pete Whites' latest idea for a club event & please make it known whether you think it would be feasible to run & also help Pete out with addresses or phone numbers for past members !!

The club dinner has been discussed by the committee (yearly event!) and the general feeling is that last year did not work very well. This year will probably revert to a traditional sit down meal again, with a prize-giving, no speech & more time for a disco. Make your views known at the A.G.M. or before!!

BOB GRAHAM CELEBRATION WEEKEND

June 22nd & 23rd next year marks my 21st year as a Bob Graham member [No 191].

To mark this auspicious occasion I thought the other club members would be interested in doing the round in a relay.

We have 26 club members and I think it would be a first if we could arrange it.

The dates I have in mind for next year are June 19th-20th or 26th-27th.

I would hope that other club members become involved also thus making it a great weekend away for runners and their families alike.

Club members are as follows:

Pete White 01422 885728

Jeff Winder

Everyone to run one of the five legs and all of us to run the last leg together [I use the term "run" lightly!]

This will not be a race against Time.

The idea is to get you all involved at some stage no matter what your current level of fitness may be.

The weekend to finish with a party at some venue in Keswick on the Sunday [lunch time]

Any one with any ideas about a place please let me know.

Well What do you think? Pick up the phone and let me know.

Pete White.

^{**} Don't have an address for them, please help out!!
