

SHEEP SHEEP SHEEP

OFF TO A FLYING START

Well here we are in 1999. A belated Happy New Year to all our club members. I wonder what this year will bring for us? For some reason we seem to have got off to a flying start, with a good number of people already with a few races under their belts & equally pleasing, lots of race reports from them, to publish in this months issue.

As you will see inside Carl Greenwood has been very busy, both racing & reporting & he says it's his New Year resolution to continue doing so ! (good for you Carl, you are already the editors pet).

I have also received a "Spotlight" filled out by our Club Captain (Rod Sutcliffe) which isn't in this issue, partly because there isn't much room, but mainly because it's away at the handwriting expert for translation.(no prizes for guessing what Rods proffession is !). Thanks Rod it's just the right balance of info. with a humorous slant to it.(I think the handwriting sample might be a

good addition to the spotlight form, or maybe even a " guess the job from the writing competition "

Charlotte has promised me an article from her point of view of " The Karrimor" & one from Stuarts point of view ! (don't I remember someone saying he ran it with Jeff ? this should be interesting!).

Frank has also mentioned an article to me a few times, so we'll maybe see that in the next issue.(Keep up the good work)

One of our founder members (probably the founder) Jeff Winder has now moved out of the area to Scarborough (who said thank goodness) & will obviously not be travelling 90 miles to Mytholmroyd & back every Tuesday night, but he is staying on as a club member.

THANKS TO JEFF FOR ALL THE YEARS OF TIME & EFFORT!! WE'LL SEE YOU AT THE RACES. GOOD LUCK!

BRADFORD LADS DO

Luckily for all those who turned up I had forgotten my reporters notebook & pen (although there were some worried looks from one or two people as they realised that my 'radar lugs ' had tuned into their conversation). Chris Robbo was the first to arrive (7.30 pm) & was consequently immensely pleased to see Brian & myself at 8.00 pm (thought he'd got the wrong pub ! ha - ha). Yes I've been there ! (in fact I think it was last year at the Duke of York). Fortunately Jess & Sue Palmer had already been there for half an hour !

Strange how only a handful of people from the Halifax side have acquired the mystical power of being able to pass Stump Cross without falling off the edge of the world ?? One of lifes little mysteries !

Plenty of drinks later we left the Hare & Hounds (yes I know it was supposed to be a pub crawl but we'd got seats & a table & none of us is getting any younger) to go back to Alans pub The Windmill. Here we managed some more drinks & a game or two of ' Bull Ring ', but for some reason my abiding memories are of Jess Palmer & Steve Kirkbride (two well known ' pool ' sharks) heckling Alans grandson & friends as they played, and of Thirza & Dave tidying up & wiping down the table just before our curry arrived ! STRANGE WHAT GUINNESS DOES TO YOUR BRAIN ? My only other recollection is of Jess trying to work out how long Sue had been gone (she very kindly gave Chris Robbo a lift home) so that he knew whether to get a half or a pint of GUINNESS to keep him going ! A GOOD TIME WAS HAD BY ALL ??????

THE COLEY CANTER.

Yes it's true, I have actually done a race. (**what do you mean it was only a bit of a cross-country job !!**) On Monday 28th December I dragged myself + family along to this lovely little jog through the woods & fields around Shelf & surrounding district. We got off to a bad start by arriving about 15 minutes later than last year, only to find that the car park at Bridle Stile, had been tarted up with some new raised flower beds, thus reducing the parking spots by about 10. (call me a bluff old traditionalist but surely it's for parking cars in ?)

Having read the signs saying " No Parking " on the track, I decided to park on the main road, thus combining going to register & doing a warm up (thats my story & I'm sticking to it). As is customary Alan got back to start the race at about 11.05, having just finished flagging the course. I seem to remember him saying something about " be careful " & " it's very muddy " & boy he wasn't wrong !

Off went the race at a good pace down the track, until we got to the first stile, where the farmer & his son had refused to open the gate, insisting that we all had to go over the stile, & standing, watching us as though counting some of their sheep ! The course soon got muddy in the first wood &

a minor miracle happened when I somehow managed to pass Pete Horne on the first hill. It wasn't long before Frank passed me on the downhill after Coley Church, but then a corner cut by him left me just in front & left him swearing at me for following the flagged course. At last a bit of local knowledge had paid off (the only trouble was that he decided that the best plan now was to follow me), & we were off over the fields & into the woods on the return journey. Somewhere along the way Pete passed me & then Frank passed us both at speed. I managed to hang on just behind Pete but Frank had made too good a break & gave it up as a lost cause. To my surprise Pete was still in striking distance when we got to the muddy hill after crossing the stream near Woodside Estate, but my " joker " was foiled when Frank remembered another good route choice, from last year & Pete followed him, about 40m behind !!

I dug in once again as we went across the fields & down the road to the 99 steps. The route was improved this year by coming back up through the woods to Brow Lane & then down a new path back across the stream in the bottom. (boy did I suffer through those woods but only 2 people passed me). I made another effort to get past a chap who had passed me in the wood & succeeded in beating him up the last two hills to the finish, but alas it wasn't enough to catch Pete.

In summary, an excellent race, which is attracting more & more people each year. Yes it was very muddy, cold & it did snow, but that was all soon forgotten after a large helping of pie & peas at Alans pub (The Windmill) (**YOU SEE ALAN I TOLD YOU I'D GET THE PLUG IN SOMEWHERE.**)

EDITOR

RIVOCK EDGE. 1998

The first race in the 1998 - 1999 Winter League (dreamt up by Woody). The races chosen are local ones that are between the last race of the Club Championships & up to & including the Club Handicap. (any suggestions welcome).

A reasonable field of nine club members took part on a fine, cold Sunday, at the end of November. The course is a fast one, once the first climb is out of the way. It would make good fitness training for the Calderdale Way, as the route has a feel about it that is not unlike most legs on the C.W.

An excellent run by ex - CVFR member, Mark Horrocks saw him back up his recent win at Shepherds Skyline. A good run by myself (knocking 5 mins off my previous best time), just ahead of a fast finishing & very competitive race between Chris Robbo & Brian Horsley.

153 runners took part (see results in this issue)

Carl Greenwood

AULD LANG SYNE FELL RACE. 1998

A beautiful winters day heralded the start of this, the last race of the year, (sure to be a crowd puller next year, unless we all get fed up with millenium this, millenium that). and the third race in the Winter League.

10 members of CVFR took part in this race, which is basically the Oxenhope Stoop with a loop at the top added on. It was muddy under foot, though not as muddy as the Stoop, 11 days earlier. This always makes for entertaining descents from the main summit.

On the climb to the finish, past the car park at Penistone Hill, 2 runners managed to pass me, and would have faced no challenge from me, had not one of them been from Tod Harriers. When a club vest or a Tod vest passes me, I just see red and have to do battle. (see editors note below). They stood no chance as I threw myself over the gate at the finish and collapsed, gasping for breath, clutching a bottle of beer. (awarded to all finishers).

Another good battle must have been happening between Gerry and Richard, with Gerry getting the upper hand by just 5 seconds.

280 runners took part. (see results in this issue.).

Carl Greenwood

editor;- I can testify that he does battle very vigorously after an elbow & pushing session at one of the Bunny Runs, as we came to the finish. One unfortunate lady runner was almost barged over a wall as we fought it out shoulder to shoulder !!

TOR OVENDEN FELL RACE. 1999

I recently did the Ovenden Fell Race from Ogden Reservoir, which is one of Alan & Carol Greenwoods fell races, & I picked up a race flier that I thought would be of interest to our club members. It is a series of races called "The South Pennines Grand Prix 99". 12 races are included & you have to do at least 8 to qualify. I believe it's organised by Alan Greenwood. The races are all local & I'll be taking part, will you ?? (*see flier advert in this issue*)

Rob Jebb (Bingley international) took 3 minutes off the record for this race (4 minutes off the 96 record), on a cool & windy day with broken sunshine, on what I think is an excellent fell race route. One for next years Winter League perhaps ??

Carl Greenwood

editor;- looking at your current form I think it would be a waste of time anyone else turning up !!

Fell Running

The report below was sent to the Halifax Courier after the recent Rivoock Edge Hill Race. However the report published was not quite the same,so apologies to various athletes (I use the word very loosely) especially to Frank Mallinson who evidently had a storming run.

Calder Valley Fell Runners started there Winter race series at the Rivoock Edge Hill Race around the Silsden tops on Sunday.The race was won by ex Calder Valley star Mark Horrocks in a time of 65.14 for this 10 miler,Helen Johnson of Ilkley won the Ladies race in 80.10. The leading Calder Valley contingent were placed as follows.

Carl Greenwood 40th 79.30
Chris Robbo (in his first race since coming out) 80.00
Brian Horsley 50th 80.07
Rod Sutcliffe 59th 81.21
Frank (I really should be working) Mallinson 86.05
Ian Law 99th (and didn't even change hands) 88.14
Solitaire Gardner (a good friend of Chris Robbo) 89.03
Tony Bradley (Wearing in a new belly for BANKSIE)90.17
Fast Eddie 140th 102.56

Obviously the Courier's Editor was aware of the libel laws and published the one in last Wednesday's edition.

Don't forget to let me have the results of any races youve done and I'll seeto it ~~it~~ gets the treatment it deserves !.

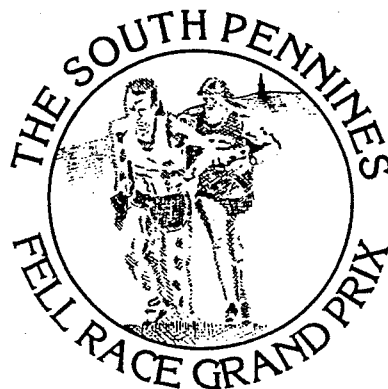

Have a tremendous Calder valley relay

NEW BABY IN THE REAGAN HOUSE

I am led to believe that Pete & Mrs Pete are the proud parents of a new baby & we would all like to offer our heartiest " CONGRATULATIONS " (since I stopped doing the Ben Nevis Race I don't seem to have had this problem !)

THANKS FOR THE INFO.

It has been a very good month for information coming in to me & I would like to thank all the people who have made a contribution. (Carl has gone through a purple patch, but can he maintain the pace) I have only received 1 SPOTLIGHT back (from our Club Captain) which is a good start, but I would like to see a lot more ! (it's all made easy for you, leave a blank bit if you don't want to divulge all). There's another copy in this issue just in case you lost the last one!
Do make sure that you fill in a membership form as this is the only way you will continue to be a member & keep getting a copy of this little masterpiece. (I NEED YOUR ADDRESSES !)

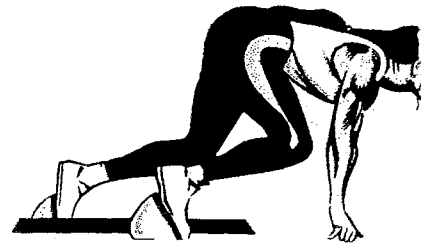

TEDIOUS

I need to find some way of cutting down on the number of copies that I have to post out to people ! For the last issue it was around 30 - 40 copies & I just don't have the time to do it. We have always used a system where someone takes copies for a few friends or people in the same area, which I hope will continue & some people live a long way off which is fair enough, but quite a few were for people who live in the Calder Valley area ! I propose leaving a few copies in one of the clear envelopes on the noticeboard at the Community Centre, placing the onus on people to pick a copy up + I will have copies with me whenever I come down. (ALMOST EVERY TUESDAY).

WADSWORTH TROG

THIRZA WILL BE ARRANGING THE RACE MARSHALS ONCE AGAIN & THE EMPHASIS WILL BE ON A GOOD TURNOUT TO MARSHAL AS OPPOSED TO RUNNING ! PLEASE PUT YOUR CASE FORWARD (IF YOU DARE) TO RUN. THIRZA HAS A LIST OF PEOPLE WHO WILL MARSHAL & A LIST OF WHO WOULD LIKE TO RUN IF POSSIBLE.

SHORTS RUMOUR CONTROL

PUBLICITY OFFICER REQUIRED !

The rumour is that Big Kev our publicity man has now got 2 dodgy knees (that explains why he always fell down ditches on his left side before, who knows what he will be like now !) One concerned club member said he might not be able to run anymore, (any old excuse to get out of training on the road in winter eh), to which another witty fellow said " he could never run in the first place ! " I think he was called Chros Ribinson or something ! Anyway we have had a meeting of " The Familly" & " The Don " (Charlotte Robertoni) has decreed that "**NOBODY LEAVES THIS CLUB**" & I believe her, just look at poor old Steve " Spats" Kirkbride, he's been four years trying to get his knees back in shape, but I think he's about to make a comeback. Get yourself back down here because your poor wife & familly will soon be sick to death of hearing about it & we will still be able to listen, take you for gentle training runs & maybe even give you some helpful advice ! (P.S Jeff Winder is in Scarborough now so you don't have to worry about him bo*****g you & telling you to buck your ideas up.)

EVEREST MOUNTAIN RACE

Apparently Charlotte & Stuart are going off to do the above race in the near future & have been prising sponsor money out of club members on a Tuesday night (I suppose it's 1 way of paying your airfare !). I think everyone so far has put in £5.00 (well done Ian Law, first sponsor) & I know it is for a worthy cause, so get sponsoring !

BOB GRAHAM ROUND

Yes you've guessed it someone else is seriously considering the above attempt this year (Darren Partridge). Trouble is who is good enough or fast enough to recce it or back him up ?? Looks like the Elite of the club are going to have to turn out in force !!

CLUB DINNER

I'm sure most of you will already have made arrangements for the above, but just for info. from Charlotte, the last date when she confirms numbers with the venue is Monday 25th January.
